

**THE POLITICAL ECONOMY GROUP – LACEA  
15<sup>th</sup> ANNUAL MEETING  
BOGOTÁ (COLOMBIA) MAY 29<sup>th</sup>-30<sup>th</sup>, 2014**

**CALL FOR PAPERS**

The Political Economy Group of LACEA (PEG) has held annual meetings since 1998. The 2014 meeting of the PEG will take place in Bogotá, Colombia, on May 29<sup>th</sup> and 30<sup>th</sup>, at Universidad de Los Andes. As in previous years, the 2014 meeting aims to promote the discussion of connections between economics and politics that is relevant for Latin American and Caribbean economies. There will be a dedicated discussant for each paper, as well as open floor discussion. Joachim Voth, from University of Zurich, will be delivering a keynote presentation.

We are inviting submissions of papers to be considered for presentation at the meeting. The accepted contributions are expected to be relevant for understanding the most demanding problems of Latin America and Caribbean countries. This allows for papers addressing issues in other regions when those issues are deemed relevant to the Latin American context. The focus of the meeting will be on the connection between economics and political institutions broadly understood, including legislatures, courts, executives, political parties, elections, weakly institutionalized environments, the institutions of federalism, and the workings of the public service. Studies of specific Latin American countries, as well as comparative institutional analyses are also welcome.

Full papers, written in English, must be submitted no later than March 15<sup>th</sup> of 2014 for consideration for the meeting. A program committee integrated by Ernesto Dal Bó (UC Berkeley), Marcela Eslava (Universidad de Los Andes), Leopoldo Fergusson (Universidad de los Andes), Claudio Ferraz (PUC Rio), Frederico Finan (Stanford), Daniel Gómez (Fedesarrollo), and Ernesto Stein (IDB), will select the papers to be presented. Submitted papers will be judged on their relevance and academic merit. Both theoretical and empirical contributions are welcome, as well as work by young scholars and graduate students. The organization has some funds to partially finance travel expenses of some participants not able to obtain full funding from their own sources.

If you are interested in submitting a paper, please do so no later than March 15<sup>th</sup> 2014. The selection process will be completed by April 15<sup>th</sup>, 2014. Each author can submit and present at most one paper. Full papers, in PDF format, should be sent to:
